

THE ASSOCIATION FOR PROJECT SAFETY

Shaping and sharing best practice in construction health and safety risk management

Northern England Region CPD Event

Asbestos – Design Risk Management.
Speaker – To Be Confirmed.

Date: Tuesday 13th April 2010
Time: 6.00pm

The design risk management process and interface between the design team and CDM coordinator are crucial areas for a practising CDMC. This will be explored and examined and best practice offered as a way forward.
